

# Calling All School Librarians!

Metro Nashville Public Schools is seeking energetic, self-motivated, and innovative applicants for school librarian positions within the district. Candidates must have a strong record of integrating technology into instruction, collaborating with classroom teachers to design and co-teach lessons, and empowering students to be critical thinkers, enthusiastic readers, skillful researchers, and ethical users of information.

Metropolitan Nashville Public Schools serves more than 86,000 students from over 100 countries and employs more than 10,000 certificated and support staff. With competitive pay, extensive professional development, and opportunities to grow as a leader, our district is one of the best places to work in the country!

## Why Should You Work With MNPS?

### First Choice for Families

Our vision is to have an excellent teacher in every class, every year and have highly effective support staff and administrators who ensure students are in an environment that fosters achievement and inspires greatness.

### Commitment to Diversity

We embrace and value our diverse student population and community, and believe different perspectives and backgrounds form the cornerstone of our strong public school system. We seek employees who are eager to serve a diverse population and will help create an inclusive environment.

### Professional Growth

We are an innovative school district and we want employees to achieve their maximum potential. We invest in professional development for teachers and staff to cultivate their talents, help them acquire new skills and prepare for an exciting long-term career. With proper preparation, the sky is the limit.

## Why Should You Work With Library Services?

As an MNPS librarian you will develop and implement a school library program that promotes the effective use of ideas and information while fostering creativity, communication, collaboration and critical thinking. You will do this through your roles as...

- A teacher
- An instructional partner
- An information specialist
- A program administrator

Interested candidates should apply under the School Librarian Pool position at <http://bit.ly/2CUi0mT>
