Collaboration

I am always available to collaborate on a unit, project, or lesson.

Technology Integration

Assist with classroom technology, projects, ebooks, audiobooks, maker challenges, coding.

Curate resources

Starting a unit on ecosystems? Need books about Westward Expansion? Email me, or better yet, come to the library & I'll be happy to gather what you need.

Reader's Advisory

Chat with students and teachers to find your next great read. Do book talks and book tastings.
